

T&P's stellar editorial team sorts through industry noise to deliver comprehensive coverage on the technologies that can refine or improve the process — now.

Dennis Seeds brings more than 30 years of professional experience to the post of editor-in-chief, including 12 years as a webmaster. Winner of 11 awards from press associations, he has covered stories from all areas. His *Larger Margin* column enlightens readers with thoughtful insight into metalworking manufacturing.

FOUR STAR COLUMNISTS

Stan Modic, author of T&P's *Straight Talk* is the 2006 recipient of the ASBPE Lifetime Achievement Award. As a staunch defender of the free-enterprise system, Modic is known for his hard-hitting and incisive commentary on manufacturing. His commentary has been widely quoted and reprinted, including material submitted to Congress highlighting what must be done to reverse the industry's deteriorating competitive situation.

Steve Rose's *Shop Talk* column applies common sense to production problems, offers programming tips and challenging quizzes aimed at supplying skills training for the workforce. Rose created the Comprehensive CNC training program and remains the chief instructor at the RTSI training facility in Solon, Ohio.

John Hummel, author of *Financial Analysis*, is president and a founder of AIS Futures Management LLC and AIS Capital Management LLC, a registered investment advisor. Hummel has 40 years of investment experience managing equity, fixed income, and futures portfolios.

Richard Clark, author of T&P's *Quality* column, is a metrologist who has developed Measurement Systems Analysis programs for multiple facilities to meet QS-9000 and TS-16949 requirements. He is also the author of the book *Exposing the Myths of Industrial Precision Measurement*.
